P. W. Deptt.

E.B.(II).

The S.E.,K.I.C.,in his letter states that due to the construction work in mile 20 of the Ghataprabha L.B.Canal, the Dy.Engr.,"C" Sub-dn. at Kankanwadi who is entrusted with the work will be handling a large amount of case leaving a big cash balance in the Sub-dnl. chest. The S.E., therefore, requests that two armed guards should be posted at Kankanwadi for a period of 3 years in the first instance at an annual expenditure of Rs.2,100/-, as a protection for Govt. money and also with a view to safeguard human life.

2. In the case of Police guards at Dhupdal the matter is separately under consideration and the main papers (File S.2/1/31122) have been refd. U.O. to the H.D. and F.D. on 20-5-49.

3. In the circumstances stated by the S.E., this Deptt. may agree to the posting of two armed guards at Kankanwadi in W.O. consultation with the H.D. and the F.D..

4. The S.E. proposes to debit the cost of the proposed Police Guards to the Ghataprabha L.B.C. Project. It however appears that the Guards will remain on the Establishment of the Police Deptt. and if their necessity is agreed to, they will be provided by the Police Deptt. free of charge to this Deptt. the H.D. may be requested to state whether this view is correct.

2. In my reply to the H.D. U.O.R. dated 27-5-49, I have stated that it is undesirable to waste the Armed strength of this Department by posting guards at the P.W.Deptt. Staff Quarters. The sanction requested for; for the works at Dhupdal is recommended, not for the Staff Quarters, but to guard the P.W.Deptt. Divisional Chest which, as stated by the Supdg. Engineer, Karnatak Irrigation Circle, contains cash amounting to a lakh or so. In this connection, I invite your attention to paragraph 2 of the D.S.P., Belgaum's letter No.32-K, dated 3/4-6-1949, sent to you with my letter No.6589, dated the 1-7-1949.

3. The sanction for opening a temporary out Post at Tembha with the strength of one Head Constable and one Police Constable (both unarmed) and 2 Police constables(Armed) was recommended to Government for sanction chiefly for checking the increasing crime. In this connection, please refer paragraphs 1 and 2 of the letter No.275, dated 11-5-1949, from the D.S.P., Thana, (copy forwarded to you with my letter No.42, dated 3-6-1949).

4. It will, therefore, be seen that the usual method of approaching Government for sanction in respect of providing an Armed Guard as cases crop up, affords a good opportunity for Government to consider each case

at.....

at its own merits and may be allowed to continue in future.

5. With regard to the question of cost, ordinarily the Departments under the Government of Bombay are supplied Armed Guards free of Cost, but in such cases, it is taken for granted that these are required for a very limited period and that no extra strength would be required to be entertained for the purpose. In the cases of posting guards at the P.W.Deptt. works, such as these now under consideration, they are required for a very long time and as such necessitate augmentation of the Armed strength. This adds considerably to the Police Budget. Besides, the estimates of the various P.W.Deptt. projects usually include the cost of chowkidars. In cases of very large works where cash on hand is calculated to be very heavy, the cost of an Armed Guard of 1 Head Constable and 3 Police Constables instead of chowkidars should be taken into account by the P.W. Deptt. and provision shoud be made by that Department in its Budget i.e. it should be debited to 29-Police, but, if approved, should be recovered in full (i.e. it should include leave, pensionary and supervision charges) from the P.W.Deptt..

2. On my directions, the District Superintendent of Police, Belgaum has examined the question of posting armed guard at Kankanwadi. He, in his letter No.32K/II, dated 17-2-50(copy enclosed) suggests that it is necessary to post an armed guard of one Head Constable and three Constables at Kankanwadi. As regards the construction work between Kankanwadi to Dandapur the District Superintendent of Police suggests that patrolling by two armed Constables - one from Niphal and the other from Dandapur - would serve the purpose. Thus the minimum requirement of the District Superintendent of Police, Belgaum is of 1 Head Constable and five Constables (Armed). The District Magistrate, Belgaum and the Deputy Inspector General of Police, Southern Range support the District Superintendent of Police's proposal. I also agree with the above officers and request you kindly to move Government to augment the armed strength of the Belgaum District by 1 Head Constable and 6 Police Constables including 1 Police Constable for 15% leave and training reserve.

3. The extra expenditure involved may be met in the same manner as indicated in paragraph two of the Government Resolution Home Department, No.9312/5, dated 13-2-1950.

2. These papers contain a proposal from the Superintending Engr., Karnatak Irrigation Circle for the supply of Police Guards for the P.W.D. works at Kankanwadi and between Niphal and Dandapur. The I.G.P. whose remarks were called for in the matter supports the D.S.P., Belgaum's proposals in the matter and recommends that the armed strength of the Belgaum Distt. Police force may be augmented by 1 Head const. and 6 consts. Govt. may accept the I.G.P's recommendations at the necy. staff may be sanctioned for a period of the year in thefirst instance, after U.O.R. to the P.W.Deptt. and F.D..

3. As regards the budget head to which this expre. is to be debited it may be mentioned that the expdre. in connection with the supply of armed guard at Dhupdal was met from the budget provision for that work under the head "68-P.W.R. and D.Programme" vide G.R. No.9312/5, dated the 13-2-50. In the present case also the expdre. in this connection may be met from the budget provision for works of Kankanwadi etc. The P.W.D. may be requested to point out the exact head under which provision has been made for there works.

2. In the circumstances stated, the H.D. proposal may be accepted.

3. The expenditure involved in the proposal is estimated at Rs.7,080/- per annum. It is stated by the P.W.D. in para 3 of its note dated 23-5-50 that the cost involved in the present case may be met from the grant of Rs.34,95,000 placed at the disposal of S.E. Kr. I.C. for the year 1950-51 for the work of Ghatprabha L.B. Canal under 68-Construction of Irrign. P.W.R. and D.P. . GOVERNMENT OF BOMBAY.
HOME DEPARTMENT.
RESOLUTION No.1831/6.
Bombay Castle, 11th August 1950.

Letter from the Superintending Engineer, Karnatak Irrigation Circle, No.G-109, dated the 27th January 1950 :-

"I enclose herewith copies of (i) this office letter No.G-109 dated 28-6-1949 addressed to the Secretary to Government, P.W.D. and (ii) the Chief Administrator, Kolhapur's endorsement No.C.A.D./1518 dated 2-7-1949 on the above subject. Under the circumstances mentioned therein, I request you kindly to make very early arrangements to post sufficient police guards at Kankanwadi, formerly in Kolhapur State and which is now merged in the Belgaum District, as no further reference from the District Superintendent of Police, Kolhapur, in compliance with the Chief Administrator's instructions, is so far received.

2. A reference to the Collector of Belgaum and the District Superintendent of Police, Belgaum was also made in this connection under this office Nos.G-109 dated 18-9-1949 and 24-9-1949 respectively for immediate posting of Police Guard at Kankanwadi. But no reply has so far been received from above officers also.

3. In view of the fact that Sub-Divisional Officer has to handle and keep a good deel of cash in his chest and that the office had to shift since August 1949 to one of the sheds in Survey No.97 of Kankanwadi village where the office equipment is lying without adequate guard, it is absolutely necessary to post armed police guard immediately for safety of Government money and maintaining law and order.

4. A further reference was also made to the Secretary to Government, P.W.D., Bombay under this office No.G-109 dated 7-10-1949 (copy enclosed).

5. Early action in the above matter is requested.".

Memorandum from the Inspector General of Police, State of Bombay, No.6589, dated the 12th April 1950:-
